

A Message from The WIC Hacks Team:

Hi ladies,

9 days until WIC Hacks! We're so excited, and we hope you are too!

Response Needed

We would like to get nearly-final **head count** for WIC Hacks. With this in mind, **please fill out [this form](#) by **Saturday, April 19**. Otherwise, you risk losing your spot.**

(The form can also be found here: <https://docs.google.com/forms/d/1OeN7QJ-H04jc9OvqRAFjyWanhBBIYTMH7-giMFv1Na0/viewform>)

A Note About Laptops and Housing

As a reminder, if you are not in the Newbie Track, then you **MUST** bring a **laptop**. If you absolutely do not have a laptop that you can use for this event, then you must email us immediately with a request for one (wic.hacks.rit@gmail.com). We have a limited supply of laptops, and we will distribute them on a first-come-first-served basis.

If you do not live locally and will need **housing** for WIC Hacks, please send an email to wic.hacks.rit@gmail.com ASAP with your request. We will have trouble fulfilling last-minute housing requests, so it is in your best interest to contact us immediately with your housing request.

Finally

If this is the first email that you are receiving from us, **please review the last three emails that we have sent:**

[Email #1](#) - sent on 4/7

[Email #2](#) - sent on 4/12

[Email #3](#) - sent on 4/15

Thanks!
