Hi ladies!

Reminder

Sponsors

WIC Hacks is a little over than a week away! With this in mind, we would like to remind you about the **fantastic sponsors** that will be at WIC Hacks:

. Apple
. Brand Networks
. Cisco
. Constant Contact
. Google
. Intuit
. Microsoft
. Lob
. Spotify
. The Echo Nest
. Twitter
. USAA
. Xerox

Many of these companies will have **both engineers and recruiters** at WIC Hacks, so we encourage you to **do both of the following**:

. **Update your Eventbrite registration** to include your resume, personal website, LinkedIn profile, GitHub account, etc. We will be giving all of these items to our sponsors.
. **Bring hard copies of your resume** to WIC Hacks. Our sponsors are eager to meet you, and they would like something to remember you by!
